## COOLR<sup>®</sup> Makes A Roof Cooler!

COOLR<sup>®</sup> is a family of sustainable, energy efficient roofing products comprised of 70% Kynar 500<sup>®</sup> or Hylar 5000<sup>®</sup> pre-painted metal and acrylic coated Galvalume<sup>®</sup>. COOLR<sup>®</sup> is available in a wide variety of colors, gauges, widths and substrates for low and steep slope applications.

### COOLR<sup>®</sup> Is:

- **Highly Reflective**— Available with emissivity as high as 90% and reflectivity exceeding 25%.
- **Exceptionally Durable**— Proven to last over 30 years with minimal maintenance and is offered with a non-prorated warranty for most applications. Paint colors retain 95% of their initial reflectance and emittance over time.
- **Made of Metal That Has Recycled Content & Is Recyclable**— Environmentally friendly, typically having a minimum recycled content of 25%. 100% recyclable at the end of a long, useful life.
- **Available Quickly**— Stocked in volume for fast delivery.

\* Available at a slight price premium.

\* Copper is a standard gloss product.

Colors shown are matched as accurately as possible, but may vary slightly from finished product. Please contact your representative for more information.
